

Mental Health Assessment Tool

Mental Health Assessment Tool **Author:** Heartland National Tuberculosis Center

Publication Date: 2013

Country of Origin: United States

Format: Tool

Physical Description: 8p: col., ill.

Language: English

Abstract:

The Mental Health Assessment Tool was developed to bring awareness to behaviors that may potentially disrupt the TB treatment regimen. This tool includes a series of questionnaires and observations that can be documented during the patient's medical evaluation.
